

NIHARA MARIYAM PK

Designation: Assistant Professor,

Qualification: MSc Computer Science, NET

Email-id:nihara@sisindia.org

I'm an Innovative educator in Computer Science, driven by a genuine passion for teaching and exploring how technology can solve real-world problems. I enjoy guiding students as they build their skills and curiosity in these fields. I'm also keen on collaborating across disciplines and staying connected with the evolving needs of both academia and industry.
