

## **LEADERS' ACADEMY**

Leaders' Academy is formed as a part of accomplishing the mission of SAFI to mould the students into socially responsible leaders. The Academy has designed a unique three year leadership module which contains diverse programmes like Leadership Development Group activities, seminars, training sessions and interaction with prominent leaders. The academy identifies students with the above qualities and innate talents in leading skills, and shape them into visionary leaders who can foresee the future and have strategic planning in achieving their goals.

### **Report - 1**

#### **Orientation Camp**

An **Orientation Camp** for the selected members of Leaders' academy was held at Sign Philosphere, Wayanad on Jan 3 and 4, 2020. The international trainer Mr Rashid Gazzali inaugurated the camp, highlighting the importance of empowering beliefs and creating impacts by making the best use of opportunities.

The eye-opening open air session 'Talk with Nature' by Mr Nasarulla Khan, provided the students practical lessons on mindfulness, concentration, observation and learning skills. The students were exposed to various concepts of body language, gestures, relationships through series of activities during the night session 'Theatre for Personal growth' effectively handled by writer and trainer M Noushad.

Dr Abdussalam Ahmed, President, SIAS addressed the students stressing on the importance of leadership during the first session, the second day. This was followed by a talk on 'Ethics and Values by C.H. Abduraheem, the Chairman of SAFI. Prof. E P Imbichi Koya and COO Col. Nisar Ahmed Seethi also interacted with the students in different sessions, the same day. The scenic beauty and the serene atmosphere of the location also contributed to the best camping experience for the members who also enjoyed the evening at Banasura Sagar Dam, on the way back to the campus.
