## CURRICULUM FEEDBACK ACTION TAKEN REPORT 2022-23

This feedback action taken report is produced as a result of the feedback session conducted among Students, Teachers, Employers and Alumni of SAFI Institute of Advanced Study, Vazhayur regarding the curriculum and its implementation among students.

1. Feedback regarding the curriculum design, content and suggestions are to be sent to the affiliating university authority.
2. Recommended to introduce BA Programs from the upcoming academic year.
3. All departments to be advised to include more practical/hands on lessons accordingly to integrate real-world case studies and industry projects to bridge the gap between theory and practical application.
4. Provide more avenues to develop pedagogy skills through FDPs.
5. All departments are advised to conduct field trips, industrial visits and trips accordingly.
6. Measures to be taken to provide job opportunities to students immediately after completing academic tenure.
7. Students and Teachers were encouraged to enroll for SWAYAM, NPTEL and other Certificate courses.
8. All departments are advised to maintain their MoUs functional and active.
9. Suggests Library to ask for more book's suggestions from the departments and from students.
10. All departments are advised to incorporate invited lectures, workshops, seminars and symposiums for effective curriculum delivery.
