

## FARHA CHEROOR

Designation: Assistant Professor,

Qualification: MSc Computer Science, NET

Email-id: farha@siasindia.org

I am a passionate educator dedicated to fostering student engagement through practical and concept-based learning. With a strong academic foundation in computer science, I aim to bridge the gap between theory and application. My commitment lies in nurturing student potential, encouraging research, and contributing actively to academic development.

### EDUCATIONAL QUALIFICATION

- MSc Computer Science – Farook College (Autonomous), Kozhikode (2025)
- BSc Computer Science – KAHM Unity Women's College, Manjeri (2023)

### PROJECTS COMPLETED

- Employee Attendance and Leave Register Management System – developed using Python-Django, PostgreSQL
- Public Bus Management System – developed using Python-Django, Bootstrap, PostgreSQL

### WORK EXPERIENCE

- Internship – RITS Software and IT Solutions, Back-end development experience in attendance and leave management system

## TEACHING AREAS

- Data Structures and Algorithm
