## **STUDENTS FEEDBACK ON CURRICULUM DESIGN AND IMPLEMENTATION REPORT**

**2017-18**

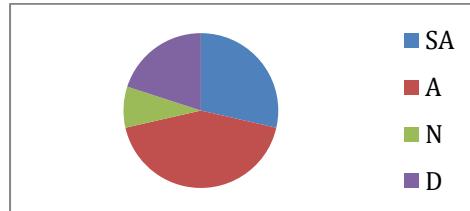

SAFI Institute of Advanced Study (SIAS) provides rich avenues of teaching, learning and research with excellent infrastructure. To review and reform the teaching-learning procedure and to sustain the quality of education, the institution seeks feedback from the students every year. This IQAC led quality enhancement process includes feedback collection on various important aspects of the curriculum viz. the need-based importance of the curriculum, clarity of the course objectives, effectiveness of course contents and activities, the learning assessments, availability of referential materials, etc.

1. How do you grade the course content of the syllabus?

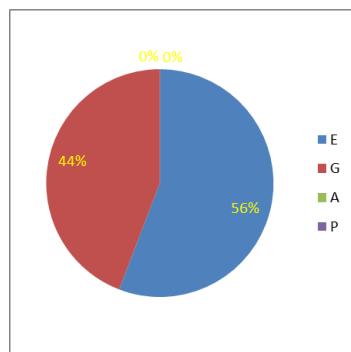

31% of students graded the course content as excellent, 43% graded as good, 16% as average and 10 % as poor.

2. Course content offered under your program is contemporary and relevant.

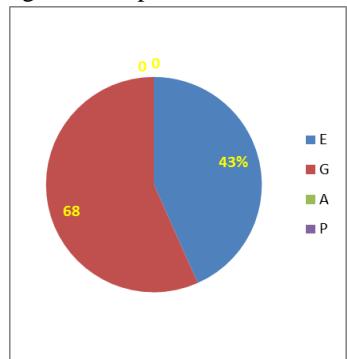

29% of the respondents strongly agree to the statement and 43% agree while 20% disagreed and 9% expressed a neutral stand.

3. The curriculum prescribed for your program has interdisciplinary links?

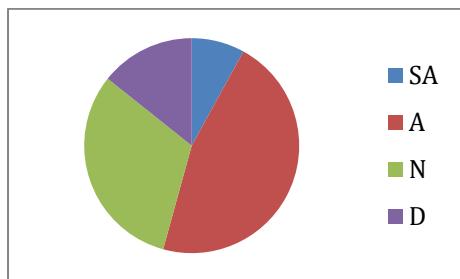

56% students as graded sufficient enough, 44% students as graded sufficient that the curriculum prescribed for their program has interdisciplinary links.

The overall curriculum design was flexible enough to incorporate extra-curricular activities ?

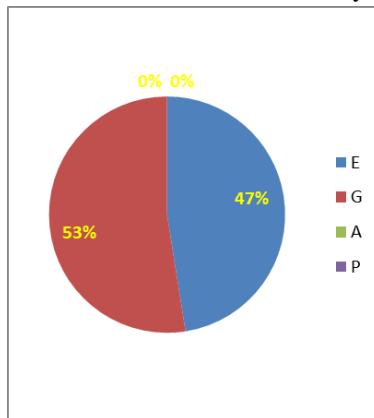

In this graph show 43% of students responded Excellent and 57% of students responded good.

4. The subject taught is updated and enriched with new facts.

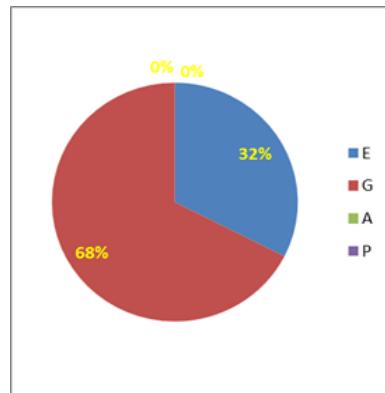

8% of the respondents strongly agree that the syllabus is updated and enriched with new facts, 46% agree and 14% disagreed to the statement. 31% were neutral.

5. All the provisions required in the curriculum are suitable for your programme? (Practical and theory)

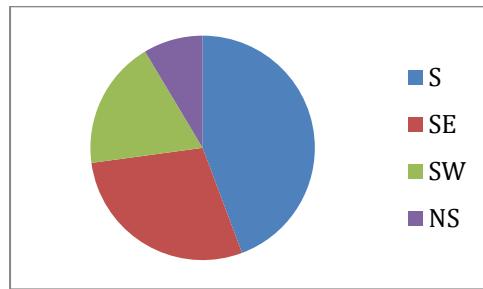

48% of students graded excellent in suitability of the curriculum and 52 % students graded as good.

5. The prescribed books/reading materials in the curriculum are relevant and available?

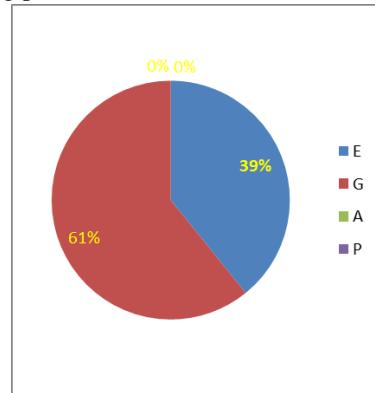

This graph shows 32% of students graded excellent in question no 5 and 68% of students responded good

6. Are you satisfied with syllabus?

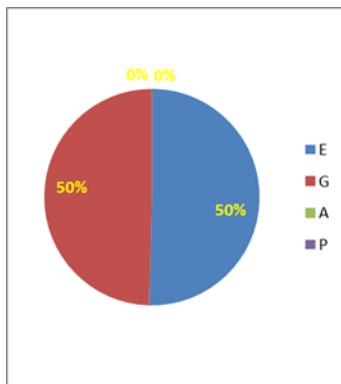

Around 70% of the students are satisfied with the current syllabus and doesn't demand updating.

7. Your curriculum design was providing periodical assessments and tests?

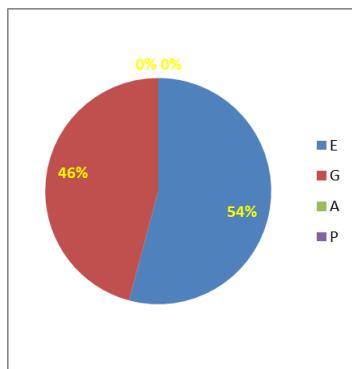

39% of students graded Excellent and 61 % of students graded as good regarding curriculum design and assessment

8. The curriculum provides you with opportunities to examine, study, analyse the subject and develop skill in the subject area?

50% of students responded Excellent and 50% of students graded as good

9. Do you believe your curriculum has made you professional?

The students graded 54% Excellent and 46% as good regarding their curriculum developing them into professionals.

### **Conclusion**

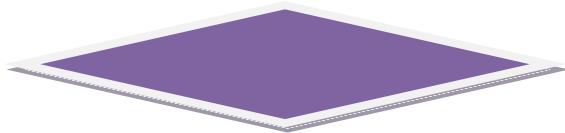

The feedback is a way of effective listening and a tool for continued learning and improvements. Therefore, the consolidated feedback report is shared at the HODs/coordinators/Officials Meeting and also with the departments for required further actions.

## **INTERNAL QUALITY ASSURANCE CELL**

**ALUMNI FEEDBACK ON**  
**CURRICULUM DESIGN AND IMPLEMENTATION**  
**- 2017-18-**

## **1 ABOUT THE SURVEY**

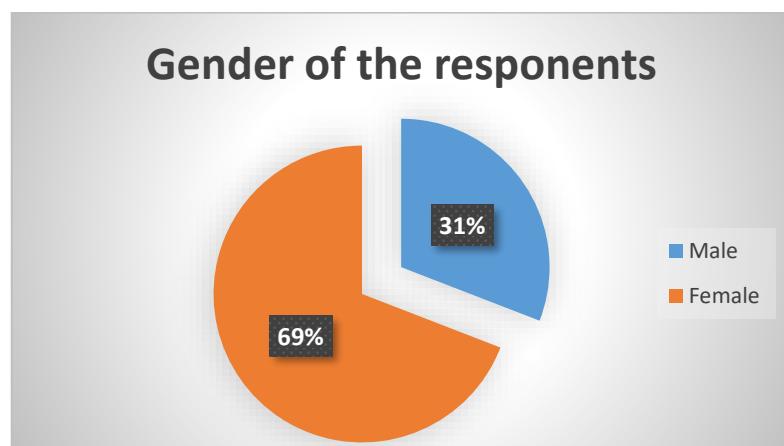

The Internal Quality Assurance Cell (IQAC) of the SAFI Institute of Advanced Study takes the initiative to conduct the Feedback on curriculum Design and Implementation annually. A well-structured questionnaire has been used to collect responses. The respondents are given opportunity to rate the syllabus and the effect of curriculum in their job and real life. It tries to evaluate the contribution of the college in their overall personality development, career orientation of the syllabus, and also on the curricular flexibility to adapt to their job.

This alumni feedback report tries to give a vivid picture regarding the alumni feedback system through systematic analysis of the responses from alumni.

## **Total Number of Respondents: 434**

### 1. Gender of the respondents

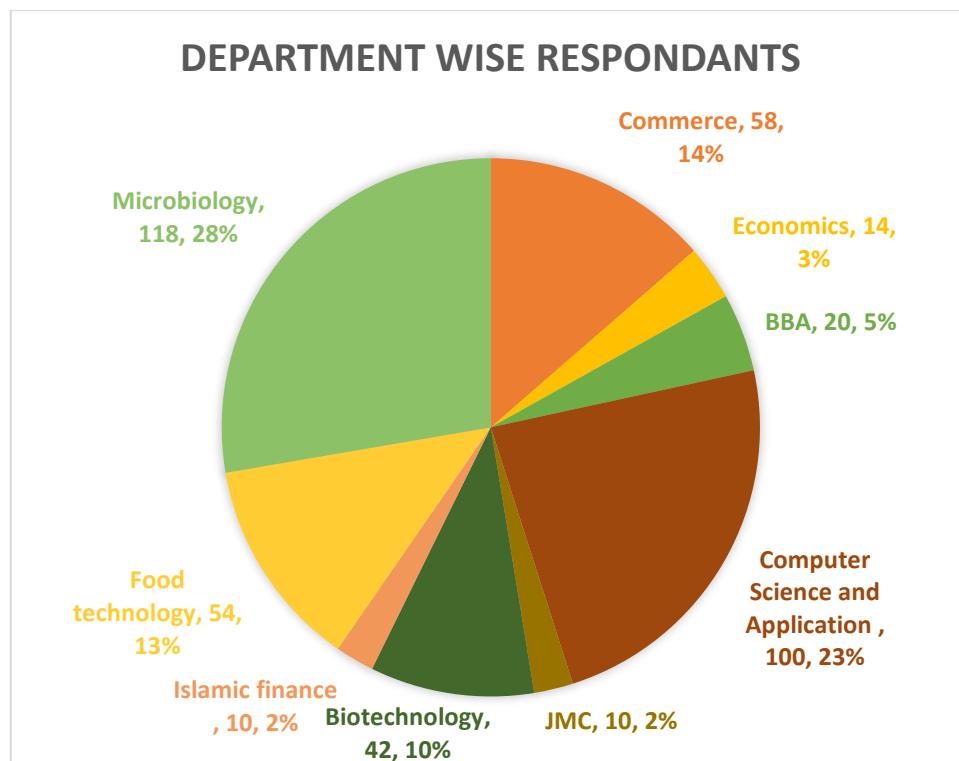

Male	134
Female	300

Pie chart representing the percentage of respondents in various departments

## 2. Department wise respondents:

Department	Respondents (Number)
Commerce	58
Economics	14
BBA	20
Computer Science and Application	100
JMC	10
Biotechnology	42
Islamic finance	10
Food technology	54
Microbiology	118
Islamic studies	8
Total	434
