SAFI INSTITUTE OF ADVANCED STUDY (AUTONOMOUS)
(AFFILIATED TO THE UNIVERSITY OF CALICUT)

SAFI Institute of Advanced Study (Autonomous), one of the premier Higher Education Institutions in the state of Kerala was established in 2005 by the Social Advancement Foundation of India (SAFI), a leading Charitable Trust. It offers 13 UG and 7 PG programmes in Arts, Science, Commerce, Management, Media Studies and Social Work.

It is an autonomous college affiliated to the University of Calicut and recognised by the Government of Kerala. It has been Accredited by NAAC with A++ Grade (3.54) in the first cycle. It is the first arts and science college in India to be accredited with A++ in the first cycle and the only unaided Autonomous college in Kerala accredited with A++ grade. It is also an ISO-certified institution. The National Commission for Minority Educational Institutions, Government of India has granted Minority status to the Institution. The college is particularly committed to serving the economically weak, socially underprivileged and needy students. It has a vast campus spread around 100+ acres in a serene and picturesque environment with a built-up area of 2.5 lakh plus square feet located in the socially and educationally backward region of Malappuram District, 22 Kilometers away from the Calicut City towards Calicut Airport. It is partly residential and provides amenities for boys and girls in a healthy cosmopolitan atmosphere. The college envisages total personality development and generation of talents capable of providing leadership and direction at the cutting edge in all spheres of life.

VISION

To be a premier academic Institute globally acclaimed for empowering citizens in general and the backward classes in particular with competencies and character for constructive nation-building through quality higher education and research in multi-disciplinary subjects.

MISSION

» To offer academic courses of contemporary and futuristic importance nationally and globally.
» To create centres of excellence in frontier areas of technology, science, social science and humanities.
» To provide a conducive classroom and institutional environment that promotes effective learning, curiosity, creativity and innovation.
» To provide holistic education including life skills, emotional, moral and spiritual competencies as well as values of social responsibility, plurality and entrepreneurship.
» To undertake collaborative partnerships for facilitating exposure and adoption of best practices.

CORE VALUES

S Social Responsibility: Empowering weaker and underprivileged sections and reaching the last and the least to contribute to national development.

A Academic Excellence: Providing quality, value-based, integrated, interdisciplinary, entrepreneurial, and experiential education to cultivate world-class talents and scholars relevant to contemporary needs.

F Focused Holistic Education: Concerned with the development of every student's intellectual, emotional, social, physical, artistic, leadership, creative and spiritual potentials.
with moral values in the pursuit of institutional goals.

I Integrity and Accountability: Shared decision-making with productive interactions among all stakeholders, inculcating the ethos of being impartial, selfless and sacrificial along with moral values in the pursuit of institutional goals.
